

# BRANDON MONTGOMERY

**14811 COUNTY ROAD 790 NEVADA, TX 75173 | C: 469-307-7731 |**

## PROFILE

---

I am a Student Athlete of Community ISD. I am currently a Senior at Community High School with a 5.098 GPA. I have lived in this community since 2002 and I have been a part of CISD since 2007.

## EXPERIENCE

---

### **2015 - Present: Construction & Automotive Work**

During the summers I work on my grandpa's construction crew doing various construction jobs. I have framed buildings, laid tile, done drywall, painted, as well as concrete work. During the stormy season when we receive a lot of damage I help do clean-up and restoration on homes and businesses here as well as in Oklahoma. I also work with my dad to restore classic cars as well.

### **2007 - Present - Student Athlete**

I work hard to maintain straight A's. I have made straight A's since elementary school. I am a GT student, I have a 4.99 GPA and I am ranked 2nd in my class. I am involved in sports and I am currently a catcher on the JV baseball team at CHS. My main course of study is Science and Engineering and for the past couple of years I have been the captain of one the Robotics teams here at CHS where I have built different robots and competed in VEX robotics competitions.

## SKILLS

---

- CAD programing
- 3D printing
- Photoshop / video editing
- I can run heavy equipment (bobcats, loaders, forklifts)
- Engineering Design
- Task management

## MOST MEANINGFUL EXTRA CURRICULAR ACTIVITIES

---

### **2017- Present - SNHS & NHS**

I am a member of the Science National Honor Society, as well as National Honor Society allowing me to further serve my community.

### **2016- Present - Robotics**

Since my freshman year not only have I been a part of the robotics club, but also a captain of one of the teams.

### **2015- Present - Help to Coach Baseball/ Softball**

I have always enjoyed coaching little league wether it be my siblings or my friends' siblings.

### **2013- Present - Math, Science, and/or History UIL**

As long as I have been able to participate in UIL, I have done so with much success. This year I am a part of the Science UIL team.
